

## Visiting Student Research Program

### Scholarships

#### Covering travel and conference costs for international students

The Ministry of Science, Research and the Arts Baden-Württemberg (MWK) provides financial support for student research (including undergraduate and graduate students) at Zeppelin University.

#### Scholarships include

- | Travel costs (e.g. return flight to Germany, academic conferences, travel costs to interview partners, project partners)
- | Research-related accommodation costs (e.g. for conferences; general living expenses not included)
- | Registration fees for conferences
- | Working material/ printing costs for presentations on conferences (e.g. posters, surveys); printing costs for bachelor and master thesis are not included

#### Application process

1. Submit your application form to the project coordinator Kathrin Isabelle Krautheimer (kathrin.krautheimer@zu.de) at Zeppelin University  
Application form:  
<https://www.zeppelin-university.com/info-wAssets/forschung/dokumente/mwk/Application-for-Visiting-Student-Research-Program-at-ZU.pdf>
2. Match with your supervisor – if your application is successful, we will match you with an appropriate academic supervisor for your research project
3. Get ready – our International Office (international-office@zu.de) will help you to organize your research stay in Germany (visa, accommodation, orientation week, language course, etc.)

#### Important note

Granting the funds for travel and conference costs will be forwarded only after submission of the relevant documents (invoices, receipts, travel documents, etc.).
